# SHORT FORM CHALLENGE

**A CHALLENGE FOR CREATIVE TALENT ON SOCIAL**

# Create a newsjacking post for Bar-le-Duc

**A newsjacking post is a social media post that taps into a current event to quickly capture attention and drive engagement.**

## WE ARE BAR-LE-DUC

### HEMA SAIL SALE

This is an example of taps into a popular event. By reacting at the right time with a light, on-brand tone, HEMA turned this moment into something shareable.

### BOL

Bol reacts to a widely felt moment with the rising gas prices and flips it into a simple, visual joke.

Delivering packages by horse is instantly clear, unexpected, and humorous.

### HEMA BRAD PITT

Another strong example from Hema tapping in on the recent film shoot when Brad Pitt got spotted and the whole city went looking for him.

This video came online only a few hours after the actor for spotted
